# Conclusion

# Conclusion

This is a story about four people named *Everybody*, *Somebody*, *Anybody*, and *Nobody*. There was an important job to be done and *Everybody* was sure that *Somebody* would do it. *Anybody* could have done it, but *Nobody* did it. *Somebody* got angry about this, because it was *Everybody's* job. *Everybody* thought *Anybody* could do it, but *Nobody* realized that *Everybody* wouldn't do it. It ended up that *Everybody* blamed *Somebody* when *Nobody* did what *Anybody* could have done.

# Conclusion

- While your relationship to Christ is personal, God never intended it to be private. **We were created and saved to be part of a community—The Church**
