The background is a dark blue gradient with a subtle pattern of small white dots. Overlaid on this are several white circular and semi-circular elements. A large scale on the left side features numerical markings from 150 to 260 in increments of 10. Other elements include concentric circles, dashed lines, and arrows, some pointing clockwise and others counter-clockwise, creating a sense of motion and technical precision.

THOMAS AND EASTER

BRIEF REFLECTIONS FOR THE 21ST CENTURY

JOHN 20

- V 25 “So the disciples told him, ‘We have seen the Lord!’ But he said to them, ‘Unless I see the nail marks in his hands and put my finger where the nails were, and put my hand into his side, I will not believe.’”
- V 27 “Then He said to Thomas, ‘Put your finger here; see my hands. Reach out your hand and put it into my side. Stop doubting and believe.’” Then Thomas said to him, ‘My Lord and my God!’ Then Jesus told him, ‘Because you have seen me, you have believed; blessed are those who have not seen and yet have believed.’”

REFLECTIONS

- **People are right for asking for evidence**
- **Jesus meets people where they are**
- **People are not to treat God as a laboratory rat**
